

Picture Identification (General)

tags: language, vocabulary

Identifying objects in pictures is the next level of skill acquisition after object identification. It is the beginning phases of understanding the symbolic representation of items. Randomize using a variety of pictures of targeted item.

SD Receptive: "Touch the ___" / "'Give me the ___."

SD Expressive: "What's this?" / "It's a ___."

	Picture Id	Date Introduced Receptive / Expressive	Date Mastered Receptive / Expressive	Notes
1	ball	/	/	
2	cup	/	/	
3	toy	/	/	
4	shoes	/	/	
5	pencil	/	/	
6	coat	/	/	
7	bed	/	/	
8	apple	/	/	
9	orange	/	/	
10	banana	/	/	
11	fork	/	/	
12	spoon	/	/	
13	knife	/	/	
14	soap	/	/	
15	toothpaste	/	/	

TIP

Take pictures of objects just learned and start there.

TIP

Some individuals receptively have severe challenges understanding the spoken word. Having them identify using symbols/icons can be beneficial.
