### Tasting notes:

Ruby red in colour, Clean and frank in the nose. With foreground tastes of ripe black grapes, noble ageing in French casks, aromas of black pepper, cloves and chocolates. Long and full-bodied in the mouth. Balanced acidity, ripe rounded tannins, with a complex aftertaste recalling the impact of fruit in the nose. A harmonious and elegant wine. A wine still evolving, ready to drink but with good potential for a long life.

### Pairing:

Perfect with beef, smoked food, soft cheeses and Mexican and spicy Chinese food.
