FROM OUR PASTOR – BECKY ERB-STRANG

We have sung our Easter Alleluias and danced with joy for the resurrection of Christ Jesus. Because of Easter, we too, experience new life.

Lutheran pastor, Nadia Bolz-Weber, says this of living a new life in Christ: God simply keeps reaching down into the dirt of humanity and resurrecting us from the graves we dig for ourselves through our violence, our lies, our selfishness, our arrogance, and our addictions. And God keeps loving us back to life over and over.

Now THAT is good news. God's love for us is bigger and wider and deeper than our brokenness. There is no place we can go where God is not. God's forgiveness and grace is without bounds.

Because of Easter's late date this year, we have the entire month of May to celebrate the resurrection.

Alleluia! He is Risen! He is Risen, Indeed!

COFFEE SHOP HOURS

On Mondays, May 6 and 13, Pastor Becky will be at New Bremen Coffee Company from 2:00-4:00pm for Coffee Shop Hours. All are welcome!

ELMWOOD WORSHIP AND COMMUNION

St. Paul church folk will lead worship with Holy Communion at Elmwood Community on Tuesday, May 7 at 2:30pm. If you would like to assist, please plan to arrive by 2:10pm. All are welcome!

WATOTO CHILDREN'S CHOIR CONCERT

On Saturday, May 25, St. Paul Church is hosting the Watoto Children's Choir in the auditorium for a concert at 6:00pm. There is no cost for the concert, but Watoto's ministry to women and children in Uganda is funded by our free-will offerings.

The Watoto Children's Choir performed at St. Paul a couple of years ago. Their music is upbeat, their stories inspiring and you will leave with a lifted heart.

SALT: SUMMER ADULT LEADERSHIP TRAINING

This summer, beginning May 25, St. Paul will have three SALT Interns working at St. Paul. Plan to welcome Katie Paulus, Morgan Felver and Tatum Temple to St. Paul.

Katie attended St. Paul's senior high youth group and now studies in London, England. Morgan is a Sunday School teacher and an education major at the Lake Campus. Tatum returns for a second summer of SALT and studies at the University of St. Francis in Ft. Wayne.

ART CAMP: CARE 4 CREATION

St. Paul UCC and the New Bremen/New Knoxville Rotary are hosting our third annual Art Camp for children and youth preschool through sixth grade. Art Camp will take place during the evenings of June 10-13. Art Camp is provided at no cost to all participants and t-shirts will be included. Registration forms can be picked up (and turned in) at the church office. Deadline for registration is Monday, May 27.

Because most of our crafts this year are using recycled materials, there is a lot of "behind-the-scenes" prep-work. Art Camp volunteers are asked to plan to attend one or both prep sessions on Tuesday and Wednesday, May 28 and 29 from 6:00-8:00pm. Heavy snacks will be provided.

Volunteers will tie-dye their t-shirts on Monday, June 3 at 6:30pm in the auditorium.

Questions? See Lisa Weigandt, Pastor Dee, or Pastor Becky

MAY'S MONTHLY MISSION: UNITED CHURCH OF CHRIST DISASTER RELIEF

Throughout the month of May, our designated monthly mission will go toward disaster relief efforts within our denomination.

In 2005, immediately following Hurricane Katrina, the UCC Disaster Relief Team sent Pastor Becky to Houston, Texas to coordinate relief efforts among the area UCC churches as busloads of folk from New Orleans were arriving daily. After three weeks in Houston, Becky wrote a rough draft job description for the person who would ultimately be hired fulltime to coordinate relief efforts in Houston and New Orleans.

Wherever natural disaster strikes, the United Church of Christ is present—offering immediate assistance as well as the long term work of rebuilding.

Your generous giving to May's monthly mission will ensure that those whose lives are impacted by disasters will have shelter, food, and hope.

AGAPE MINISTRIES

Under the direction of new CEO Patti Hamilton, AGAPE has been busy with many program changes in the works, including the current Food Program. A "pilot program" is in progress to help meet the "nutritional" needs of children at risk of hunger, during the weekend, when not at school. The hope is to expand this program to all communities in the area by fall. Present needs for the Summer Program are breakfast, lunch and dinner items: small individually packaged items like fresh fruit, pudding cups, snack items, chicken noodle soup, potatoes (fresh, canned & instant), cake mixes, canned fruit and vegetables. Your continued support and donations are much appreciated! Ann Hudson

COMMITTEE REPORTS

Mission: Patty Hamilton – CEO from Agape shared opportunities, we can create together, regarding the Blessing Cabinet and providing care packages to the youth. Agape is no longer keeping tons of extra stock on site. They are trying to do more outreach within the community. We are excited to partner with them.

SALT: We are thrilled to report that we budgeted for one SALT member; Pastor Becky was able to raise enough money for an additional two. This year's SALT members are Tatum Temple, Katie Paulus and Morgan Felver.

OTHER REPORTS

Deacon's Report: Discussed church safety and reviewed the watch list of persons on the awareness list.

Elder's Report: No report.

MAINTENANCE REPORT

John Mohrman reports:

- Performed weekly and monthly preventive maintenance checks.
- Working with trustees and wheelchair lift inspector to upgrade wheelchair lift to be more user friendly.
- Showed an insurance company representative around the facility for an inspection.
- Building shelving and creating a storage area in the boiler room for maintenance type items currently stored in general office supplies and storage area.
- A Vectren inspector was called in due to a foul odor in the kitchen. A very small leak was found behind the stove. Some of the current piping is galvanized and will need replaced in order to be brought up to code. Will schedule New Knoxville Supply.
- Met with trustees.
- Took recycles to the recycle center.
- Other small things taken care of as needed.

Trustees Report: Discussed options for the current elevator. A suggestion was made to modify ours. A concern was raised that we need to ensure no one can get under the elevator when in use. This issue is still being looked into. Wasps in the sanctuary were also discussed, and Buckeye Exterminator has been contacted.

PASTOR DEE'S REPORT

Our Sunday school students have studied Old Testament lessons through the stories of Moses. We now have moved to Easter lessons to focus on Jesus and Holy Week. I would like to thank our Sunday school students and teachers for another great Children's Worship. Your time and talents are greatly appreciated.

The Splash and the Jr. / Sr. High Youth groups shared their sign language skills at the March 30 & 31 worship services. Our Youth signed the lyrics to the song "From Now On" from the musical "The Greatest Showman" (the story of P.T. Barnum). For the meditation, during worship, the Jr. / Sr. High also shared their thoughts about the lessons to be learned from several scripture lessons in which Jesus performed miracles and healed people who were in need.

March 23 we hosted the Mom2Mom Sale. I would like to thank Abby Bushman for heading up and organizing this huge undertaking. The donation of the proceeds to the youth activities fund is greatly appreciated. I would also like to thank the many volunteers who helped at the doors, in the nursery and those who came in to help clean up and get our building back in order. The Youth and leaders appreciate your support.

I would also like to thank everyone for your love and support of the ministry of St. Paul. My service of installation was very special. It is my prayer that we continue to grow in spirit together, becoming more aware of the good works of God in the world, knowing that God can work in and through each and every one of us.

PASTOR BECKY’S REPORT

VITAL VINTAGE CHURCH (CHAPTERS FIVE AND SIX)

Chapter Five: Removing “Lead” from Leadership

Churches should write into their pastor’s contract the requirement to have 12 failures a year. (62)

I am simply advocating for church leaders to boldly explore new fields and learn new skills. The Vintage Church needs to “plug into” the smartphone and all the other tools that people are using and by which they are being shaped. (65)

Chapter Six: Finding Our Voice

The “y’all come” approach taken by most Vintage Churches is ineffectual. We must discern who we are called to be (vision), what we are called to do (mission), and what our guiding core values are. Then we must find our voice and articulate what we have discerned, and we must do it clearly, passionately, creatively, and relentlessly. (70-71)

You don’t need to convince everyone; in fact, you don’t really need to convince anyone. All you really need do is let those who already need you and agree with you find you. Our greatest challenge as

progressive, inclusive, and mainline churches may be to give up the middle of the road where we seem determined to offend no one and therefore end up saying nothing with much resolve or conviction. (71)

Vintage Churches must rediscover the voice of our ancestors who spoke loudly, clearly and consistently for religious freedom at the founding of the country, against slavery when our nation was sorely divided, for the rights of women, against racial segregation, for LGBT equality, for the healing of the earth, for economic quality, etc. (71)

The one principle most marketers urge us to remember is that someone must encounter our name/identity seven or eight times before it really has an impact. You must be prepared to fail and then try again and again. (72)

Our pews will remain more empty than full unless we can find our prophetic voice and speak clearly and passionately to the multiple crises of our day. (75-76)
