FROM OUR PASTOR

Rev. Carey Nieuwhof is both a pastor and a writer. His passion is for helping congregations work through changing times in order to thrive. He describes eleven traits of churches who are ready to face the future:

The ability to say no.

Sometimes congregations have to say, “No” to ways things were done in the past in order to move forward.

Outsider focus.

Churches who are passionate about people outside their walls will have a greater impact in the world.

Quick decision making.

Congregations that thrive are ones that are able to make decisions quickly without months of debate.

Flexibility.

Congregations that are ready for the future are flexible and adaptable.

A willingness to embrace smaller to become bigger.

We don’t all need to be mega-churches. Smaller, more intimate setting can be welcoming to newcomers.

A quicker, lighter footprint.

Be willing to try new things along the way.

Value online relationships as real relationships.

Churches that are not online beyond a website are going to miss the boat.

An openness to questions.

Embrace questions and a diversity of backgrounds.

A high value on experimentation.

Experimentation accelerates change and flexibility.

Prioritizing a “for” you, not “from” you culture.

Talk less about what people can give to the church and more about how Christianity can impact lives for people—financial balance, generosity, the joy of serving, better lives, following Jesus.

A tailored experience, not a tailored message.

Churches that decide they will hold the message of Jesus sacred, but tailor the experience to an ever-shifting culture, will be more effective.

May we continue to grow and thrive, impacting lives in Jesus’ name!

Blessings, Becky

56th ANNUAL MEETING NORTHWEST OHIO ASSOCIATION

On April 27, 2019, the 56th Annual Meeting of the NWOA was held at First United Church of Christ in Galion, Ohio, Rev. Darrin Harvey Senior pastor. The NWOA is a community of 72 local churches and pastors working together and supporting one another to strengthen the ministry and mission of Jesus Christ. Our strength is our connection. Meetings begin and end with worship. Singing is always spirit filled. This gathering is a chance to get to know other pastors and members of UCC churches. It is a closeness that reinforces the thought that we are not alone in our mission and our love of Jesus Christ and his teachings.

Highlights of the annual meeting include the following:

(If you are interested in learning more, a book will be made available, in the church office, detailing all that our association is doing.)

- Keynote speaker - Donaldson Hill - independent Consultant for Faith Communities
- Treasurer's Report: "2018 has been a good year. Figures reflect a small positive growth."
- 5 for 5 churches: (We are one of them). Forty churches gave to five UCC sponsored missions: OCWM, One Great Hour of Sharing, Strengthen the Church, Neighbors in Need & Christmas Fund.

- Eleven persons have been approved as Members in Discernment. These are persons in the NWOA who feel the call to authorized ministry in the UCC. Katherine Jackson (Katy is one of them). They receive support and help from this group on their journey. Five are waiting as funds are not available.
- Camp Templd Hills is ready for campers. This year there will be a partnership between Outdoor Ministries and Disaster Ministries. Disaster kits will be stored here to have them ready when needed. Our church, St. Paul UCC, donated 42 personal care kits and 10 cleaning buckets.
- An opportunity to learn more about the activities, missions, and faith based programs of our church were presented in the form of eight forums. (Our partnership with the El Salvador Synod was one of them).
- Recognized Mission Partners of the Association are: Back Bay Mission, CROSSROAD, EMMAUS HOMES, GRACE Community Center, Hope Homes Foundation, Inc., Insurance Board, Toledo Campus Ministry, United Church Homes, Uplands Village and El Salvador.

We end this report with the theme of this meeting...

“Let your light shine before others.” Matthew 5:16

JUNE MISSION - STRENGTHEN THE CHURCH

...God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young shall see visions, and your old shall dream dreams....Acts 2:17 (NRSV)

The **STRENGTHEN THE CHURCH** offering supports the expansion of ministry and growth of the UCC local congregations. Your support of this offering will help the UCC fulfill its commitment to creating a just world for all by investing in new ministries and practices that meet the emerging needs of local communities.

In 2018, your support:

- Increased church vitality by awarding 12 grants totaling \$350,000 through the New and Renewing Spiritual Communities program.
- Ensured excellence in ministry through the completion of the Habakkuk group and the Manual on Ministry.
- Worked to alleviate poverty through the Adese Fellowship program for spiritual entrepreneurship.
- Strengthened your local church through the services provided by the UCC conference.

Please join us in planting the seeds needed to grow and sustain our denomination by making a gift to the Strengthen the Church offering.

JULY MISSION

A portion of the July Mission is BACK TO SCHOOL CLOTHES FOR CAMP WASHINGTON. The Mission Team will be receiving sizes, for clothes needed, around June 3, and will share with the congregation soon after. Please, prayerfully consider supporting this worthwhile mission. We received excellent feedback on how much the children loved their new clothes. Once your purchase is made, please bring clothes to the church no later than July 20/21. Additional details will be provided, once sizes needed are received.

PASTOR BECKY'S REPORT

VITAL VINTAGE CHURCH (CHAPTERS SEVEN AND EIGHT)

Chapter Seven: Making "Welcome" an Active Verb

Despite what we say about our welcoming values, so much of how Vintage Churches behave says that "welcoming the stranger among us" is a peripheral issue. It is not. It is our only hope to survive, let alone thrive, very far into the 21st century. (79)

Study after study shows, however, that 80 percent of those who visit a church come because someone has invited them. (81)

Every church needs a communication team whose orientation is to connect with those who do not already attend. From branding, to marketing, to publicity, every aspect of communication should be crafted with guests in mind. (81)

Look at your website, or, better yet, find some people who don't go to any church to look at your website. Do the same with your Facebook page, and your use of Twitter and Instagram. If those are not evangelism tools your church uses aggressively then your welcome is inauthentic. (82)

Once you have made collecting information from guests a priority, it is critical that you have a systematic way to enter the information, as soon after church as possible, into a responsive database. You then can generate a list and send them an email that very day. A letter with a brochure about the church and perhaps a small gift should be sent on Monday. Every day you delay diminishes the likelihood of their return. (87)

Your database needs to be able to tell you instantly who is there for the first time, and you need a system for responding when a person visits for the third time. (87)

Your database also needs to tell you when a person has missed three Sundays in a row. (87)

Chapter Eight: From Survive to Thrive

During the course of worship, we should laugh, sometimes raucously; weep so openly that each pew should have a small box of Kleenex; applaud vigorously, sometimes the announcements, sometimes the music, sometimes even the sermon. (90)

The point is that a vital church is energetic and passionate about who it has been called to be and what it has been called to do. (91)

Ultimately we must offer our members information that will enhance their spiritual lives. We must help them learn spiritual principles for living their lives. (99)

June: Chapters 9 & 10

August: Chapter 11 and Epilogue

Worship

Saturday May 25 - Watoto Children's Choir will sing during worship before the concert at 6:00pm.

Sunday May 26 - Baptisms of Weston and Bowen Leshner

June 8 and 9 - Pentecost Weekend. Worship services will be held outside. An Ice Cream Social, hosted by the Mission Team, will take place after worship on Sunday.

SALT: Summer Adult Leadership Training. We have hired three SALT interns for the summer: Morgan Felver, Katie Paulus and Tatum Temple. SALT begins Saturday May 25.

Watoto Children's Choir from Uganda is scheduled to give a concert at St. Paul on Saturday, May 25 at 6:00pm. The Choir will also sing for the Saturday worship service.

Art Camp: June 10-13 - New Bremen/New Knoxville Rotary has partnered with St. Paul. We are anticipating 200-250 children this year.

I keep gingersnaps in the cookie jar in the church office. All are welcome to stop in!

I am trying to take Thursday mornings as professional reading time. I take Fridays off for personal time. I will return calls on Saturday or Monday.

Vacation 2019 (6 weeks' vacation; 6 weekends)

I am scheduled for sabbatical summer 2019, but have Council permission to spread it out over two summers (this keeps worship attendance and giving from plummeting). My first six weeks will be taken June 17-July 29, 2019.

I am a facilitator for the Ohio Conference's Excellence in Ministry Program. I am also on-call at Joint Township Hospital as an emergency chaplain.

OLD BUSINESS

Taylor Paul Update: Taylor is doing great work, for the future, making connections with organizations who are signing up to be responsible for the Blessing Cabinet on a monthly basis. People are kindly stepping up to help her in this mission. Greg Paul will be busy building raised garden beds for the orchard area. Blessed!

Technology assistance needed: Looking for anyone interested, and able, to learn and assist with technology in the church. Could be a possible student and/or adult. Please contact church office if interested.

Grounds assistance needed from now until fall: If you love to dig in the garden and always like things 'looking just so', please consider helping with our flower bed weed removal around the church buildings. "Weeding" is a continual process, so please contact Pastor Becky if you want to participate. Maybe your whole family would like to adopt the grounds for this year!

NEW BUSINESS

Church Website/Online Giving: We explored looking into a new service through a connection with Vital Vintage Church. It is affordable, current and interactive. John Gilberg made a motion to start this partnership, Myra Hanenkratt seconded. Motion carried. Stay tuned for more details to come.

The Mission Team

Did you know? Crossroad provides quality services in four focus areas:

- Residential treatment and shelter care
- Alternative education
- Outpatient counseling
- Community and home based services

Daily, Crossroad serves hundreds of children through our services, including:

- 45 residential clients
- 138 outpatient clients

- 29 alternative education clients
- 70 community or home based clients

Sadly, young people today arrive at Crossroad facing a number of traumatizing factors in their lives. Recent statistics for children in our psychiatric residential facility revealed:

- 44% witnessed domestic violence
- 50% are victims of parental neglect
- 47% are victims of sexual abuse
- 50% are special education students
- 40% have Parental Rights Terminated
- 67% are victims of physical abuse
- 50% have a parent with a psychiatric diagnosis
- 55% have an incarcerated parent

However, we are proud of our children's success!

- 92.86% of the children in our intensive residential program successfully complete treatment and have a planned, positive discharge. The state outcomes benchmark is 71.85%.
- 80% of clients in our community based programs successfully complete treatment and have a planned, positive discharge. The state outcomes program benchmark = 64%.
- 85% of children receiving outpatient counseling complete their treatment plan and have a planned, positive discharge. The state outcomes benchmark is 53.5%.
- 87% of students in our alternative education program achieve educational success (defined as improvements in attendance, achievement, and behavior.) The state outcomes program benchmark = 53.6%.
