DAY 47/100

DIGITAL MASTERY CHALLENGE

DATE: August 30, 2020, SUNDAY

TIME: 07:00 PM (AST)

LIVE FROM DOHA, QATAR

A laptop is shown from a slightly elevated angle, centered in the background. The screen displays a vibrant, multi-colored abstract pattern with shades of red, orange, yellow, green, and blue. The keyboard is visible below the screen, with keys illuminated in a similar multi-colored glow. The entire scene is set against a dark, almost black background.

DROPSERVICE MASTERY

A stylized illustration of a diverse group of people, including men and women of various ethnicities and ages, wearing professional clothing like suits, blouses, and a red t-shirt. The faces are simplified, with some having distinct features like glasses or a beard. A light blue banner with a gradient and a drop shadow is positioned across the middle of the group.

A close-up, low-angle shot of a vintage typewriter, likely a Remington or similar model, with a warm, golden-brown color palette. The focus is on the intricate mechanical details of the typebars and carriage. A bright yellow banner is overlaid horizontally across the center of the image, containing the text "AVERAGE MARKET PRICE:" in a bold, black, sans-serif font. The background is dark and out of focus, emphasizing the typewriter's details.

A close-up, low-angle shot of a vintage typewriter, likely a Remington or similar model, with a warm, golden-brown color palette. The focus is on the intricate mechanical details of the typebars and carriage. A bright yellow banner is overlaid horizontally across the center of the image, containing the text "AVERAGE MARKET PRICE:" in a bold, black, sans-serif font. The background is dark and out of focus, emphasizing the typewriter's texture and form.

The word "Translation" is written in a large, white, bold, sans-serif font with a slight 3D effect. It is centered across the image. The background consists of several overlapping, semi-transparent rectangular blocks in various colors: teal, orange, blue, pink, purple, and green. The teal, blue, and purple blocks feature a repeating pattern of geometric shapes, including squares and rectangles, in a lighter shade of their respective colors. The other blocks are solid colors. The overall composition is vibrant and modern.
