Stock Photography Styled for Women Entrepreneurs

Are you looking for stock photography styled specifically for women? We've got you covered!

We've provided a curated list of 14 professional stock photography sites you can use for web, blogs and social media.

Whether your brand personality is playful, bold, quirky, reflective or all about soft feminine colours - the stock photography sites listed below will provide exactly what you're looking for.

Some of these resources are affiliate links, which means I may get a small commission for referring you.

Following is a curated list of high-resolution, professionally styled stock photography. Sites not listed in any particular order.

- Social Squares by the SC Stockshop
Unlimited downloads with subscription
20 free beautiful graphics on subscription and a selection of free images every month
- Haute Square (previously Haute Chocolate)
