

## SCORECARD

Dear reader:

This book is different from any other that you may have ever read previously. It was written and uniquely designed to allow the reader to look back, reflect and perhaps assign a theoretical “score” to each “hole” of their life as they read along. Holes are numerically divided up and assigned to a person’s life in chronological order, suggested as follows:

### FRONT NINE

- Hole #1: Birth to 4 years (Par 4)
- Hole #2: 5 to 8 yrs (Par 4)
- Hole #3: 9 to 12 yrs (Par 4)
- Hole #4: 13 to 18 yrs (Par 5)
- Hole #5: 19 to 22 yrs (Par 3)
- Hole #6: 23 to 26 yrs (Par 4)
- Hole #7: 27 to 30 yrs (Par 3)
- Hole #8: 31 to 35 yrs (Par 5)
- Hole #9: 36 to 40 yrs (Par 4)

### BACK NINE

- Hole #10: 41 to 45 yrs (Par 4)
- Hole #11: 46 to 50 yrs (Par 3)
- Hole #12: 51 to 55 yrs (Par 4)
- Hole #13: 56 to 60 yrs (Par 4)
- Hole #14: 61 to 64 yrs (Par 3)
- Hole #15: 65 to 69 yrs (Par 5)
- Hole #16: 70 to 74 yrs (Par 4)
- Hole #17: 75 to 79 yrs (Par 4)
- Hole #18: 80+ yrs (Par 5)

On the following page(s), you can print out either the standard scorecard divided up in the above manner, or as noted in my book, you can customize your own.
