

Fine Motor Imitation

tags: language

Building foundational skills with fine motor movements.

SD: Do this _____.

	Imitation of Fine Motor Movements	Date Introduced	Date Mastered	Notes
1	wave			
2	open and close hand			
3	wiggle fingers			
4	move hand to mouth			
5	point			
6				
7				

TIP
Record target individual performing action with prompting support being minimally shown. Give SD, show video of individual doing action to imitate.

TIP
Practice learning imitations using music. Ex. Brush Your Teeth (Raffi), etc.,

TIP
Expose individual to picture representation of action being shown as a visual support.

TIP
Moving hand to mouth can be practice for the sign for eat/drink.
