## Ideas Bank

get (object), then bring it to the table

hang up your coat, then sit at your desk

get a pencil and bring it to your desk

get the broom and sweep up this

get your jacket, then line up

get a paper towel, then wipe the table

get a tissue, then blow your nose

go to the sink, then wash your hands

brush your teeth, then put on deodorant

get your back pack, then line up

### TIP

Have a checklist that could be used as a faded visual.

### TIP

Initially practice in contextual routine situations.
