

Imitate Action with Objects

tags: language, foundational

Building foundational skills with imitation of action with objects.

SD: Do this _____.

	Imitates Action with Objects	Date Introduced	Date Mastered	Notes
1	bang drum			
2	drop item in bucket			
3	push toy car			
4	shake maracra			
5	bang toy hammer			
6				
7				
8				
9				
10				

TIP

Don't get caught up in details, use what is in your environment that makes sense and is motivating to the individual.

TIP

Have fun!

TIP

You can use video modeling

TIP

At times, accompany a sound with the action to make the activity more engaging. For ex., #3 making vroom vroom sound for the car moving.
