Environmental Sounds Identification

tags: language, vocabulary

Identifying familiar sounds in the environment.

SD: Labels (point or identifies object verbally or with an icon) object/animal after sound is made.

SD [Make sound]: "What is it?"

Ideas Bank

cow   pig   dog   cat   horse   duck   frog   elephant   bird

door knocking   baby crying   sneeze   phone ring   fire siren   water running

TIP
Play "Guess what?"
Give student a picture, and they make the sound, and peers have to guess what it is.

TIP
Sound identification bingo is a fun was to practice identifying sounds.

TIP
Identifying door knocking, such as when using a bathroom, is a very practical skill to teach.
