

Familiar Person Identification

tags: language, vocabulary, social questions

Identifying familiar people in the individual's life. Use a variety of representations of the targeted people.

SD Receptive: "Touch ____." / "Give me ____."

SD Expressive: "Who's this?" / "This is ____."

Ideas Bank

Mom Dad (brother) (sister) (classroom teacher)
(specials teacher) (therapists) (classmates)

TIP

If it takes a long time for individual to learn names, don't waste time trying to teach people's names that aren't consistently involved in the individual's life.
