

# Township of Woolwich **GREENING INITIATIVE**

## Help create a green legacy

**Your community, your children & grandchildren will thank you!**

Learn Neat Stuff! • Meet Great People • Combat Climate Change!

## OPPORTUNITIES

### Tree Planting

1 or more Saturday mornings in spring for 2-3 hours.  
Family friendly

### Tree Stewards

Mulch and Prune young street trees - all training & tools provided - flexible times

### Tree Nursery Volunteer

Transplanting, fertilizing, weeding, watering, pruning - flexible schedule.

### Tree Seed Collectors

#### Johnny Appleseed anyone?

Spring, summer, fall - collect a variety of seeds for our Seedlings in the Classroom and Seeds for Seniors programs - **training provided** - Learn about seed forecasting, tree ID and more.

### Tree Inventory

Discover our tree resources and build an Inventory of Trees in the Township. It's a great way to learn about trees - **Training provided:** tree Identification; assessing tree health. Flexible schedule.

**Trees for  
Woolwich**
