POLICIES

ORDER POLICY

- All bath orders must be submitted in writing on a Fairmont Designs order form or your company's own purchase order form - NO hand written orders will be accepted.
- All orders **MUST** be labeled with a purchase order number and any special circumstances surrounding the order must be clearly written on the order

For example: Display orders must be clearly labeled as such when the order is received by Fairmont Designs.

- Orders may be submitted via email to: **vanity-order@fairmontdesigns.com**.
- No phone orders will be accepted.

LEAD TIME / FREIGHT TRANSIT TIME

- Fairmont Designs makes every effort to ship orders as soon as possible; however due to varying transit times through freight carriers; Fairmont Designs is unable to guarantee any specific delivery schedule.
- Estimated freight transit time is **21 business days**.

PRICES

- Prices are subject to change without notice.

WARRANTY

- Limited Product Warranty - Fairmont Designs products are warranted for the period of one (1) year from the date of delivery to the dealer.
- Fairmont Designs reserves the option of approving a field repair - repairs are to be made through an authorized Fairmont Designs dealer.
- Warranty is to the original consumer for normal home use against defects in materials and workmanship.
- An inspection of the merchandise must be done to determine if the defect in question is a result of factory neglect.
- This warranty does not cover damage which has occurred while in the consumer's possession; which is not attributed to materials or workmanship defects.

REPLACEMENT PARTS / LABOR - Contact Parts Department

- Replacement parts for defective merchandise are available for most doors, drawers and hardware including: hinges, glides and knobs. These parts will be provided on a no charge basis. (allow 30 to 45 days for delivery) In the event parts are not readily available, an order will be placed with the factory. (allow 90-120 days for delivery)
- Requests for parts must be submitted in writing to Fairmont Designs Customer Service - Parts Department with pictures of the defect.
- Fairmont Designs is not responsible for any labor costs related to damaged or defective products. Fairmont Designs will not pay for labor associated with replacing parts.

DAMAGES - CONCEALED / FREIGHT - SHORTAGE / OVERAGES - Contact Returns Department

Concealed Damage

- All concealed damages must be reported to Fairmont Designs within **30 days** of the delivery date or they will not be honored.

Freight Damage - Merchandise accepted by showroom

- In the case where a dealer has accepted merchandise showing visible signs of freight damage; it must be reported to Fairmont Designs within **5 days** of delivery.
 - Written notification must be sent to Fairmont Designs Customer Service - Returns Department.
 - Images detailing the damage to the cartons and merchandise must be emailed to Fairmont Designs Customer Service - Returns Department.
 - Once Fairmont Designs Customer Service - Returns Department has received all of the necessary information a replacement order will be processed.
 - The damaged merchandise must be held until the freight carrier determines disposition.

POLICIES - (continued)

- The dealer may file a freight claim with the carrier - for additional information regarding freight damaged merchandise contact the Fairmont Designs Customer Service - Returns Department.

Freight Damage - Merchandise refused by showroom - Contact Returns Department

- In the case where a dealer has refused a delivery due to visible signs of freight damage; Fairmont Designs must be notified immediately.
 - The refusing dealer must mark the Bill of Lading as "Refused Due to Freight Damage" at the time of refusal. If possible pictures should be taken of the damaged cartons / merchandise and emailed to Fairmont Designs Customer Service - Returns Department.
 - Once Fairmont Designs Customer Service - Returns Department has been notified of the freight damage refusal a replacement order will be processed.
 - It is the receiving dealer's responsibility to notify Fairmont Designs of any refusal - not the freight carrier.

Freight - Shortage / Overage - Contact Returns Department

- In the case where a dealer experiences a shortage or an overage; Fairmont Designs Customer Service - Returns Department must be notified immediately.

Shortage -

- The receiving dealer must mark the Bill of Lading that the shipment was short and note the number of pieces actually received.
- Fairmont Designs Customer Service - Returns Department - will contact the freight company to research the location of the missing merchandise.
- If it is determined the freight company has the merchandise - the merchandise will then be delivered to the dealer.
- If it is determined the freight company has lost the merchandise and Fairmont Designs Customer Service - Returns Department - has verified the loss, a replacement order will be processed; and claim filed with freight carrier .

Overage -

- If an overage occurs Fairmont Designs Customer Service must be notified immediately.
- The receiving dealer must mark the Bill of Lading that the shipment was over and note the number of pieces actually received.
- Once the overage has been verified; Fairmont Designs Customer Service - Returns Department will issue a Return Authorization and schedule a pick-up for the overage merchandise.

RETURNS - Contact Returns Department

- All returns must be requested within **30 days** of receiving the merchandise.
- All requests must be made in writing and approved by Fairmont Designs Customer Service Department.
- All returns are subject to a **25% restocking fee per item** plus all freight costs related to returning the merchandise to Fairmont Designs.
 - It is the dealer's responsibility to schedule the return pickup with their own shipping company.
- All return merchandise must be packaged in their original packing materials and cartons to avoid freight damages and possible warehouse refusal.
 - Fairmont Designs will not provide replacement shipping cartons for any reason.
- Factory sales representatives are not authorized to issue returns or give credit to any customer.
- Returns will not be accepted without prior written authorization from the Fairmont Designs Customer Service - Returns Department.
 - Merchandise returned without a Return Authorization # (RGA) will be refused by the Fairmont Designs warehouse.
 - A copy of the Return Authorization (RGA) form must accompany the returned merchandise.
- All approved RGA's must be received by Fairmont Designs within **60 days** of return approval, after the 60-day time period the RGA will expire. Expired RGA's will not be re-instated or extended for any reason.

• Ceramic, Granite, Marble, Quartz, and fdSTONE™ Tops are non-returnable

- An inspection by our sales representative may be requested.

Wood Characteristics

- All wood will change color when exposed to light. While this color change is imperceptible from day to day it may be significant over a longer period of time.
- On warranty or replacement doors or drawers Fairmont Designs will not guarantee an exact color match.
- Natural Wood: Fairmont Designs cannot guarantee the exact shading or grain.
- Natural occurring characteristics such as variations in grain, color and/or shading are not considered defective products; new and/or replacement pieces may not match display samples, marketing images and/or existing pieces.

Natural Stone Characteristics

- Granite and Marble are natural stone: Fairmont Designs cannot guarantee the exact shading or grain.
- Natural occurring characteristics such as variations in grain, color and/or mineral streaks are not considered defective products; new and/or replacement pieces may not match display samples, marketing images and/or existing pieces.
- Fairmont Designs pre-seals all Granite and Marble pieces in the factory, however it is strongly recommended that consumer apply a resin based penetrating sealer at least every six (6) months.

Quartz Characteristics

- Every Fairmont Designs quartz top is inspected, treated and polished. Quartz is hygienic, impact resistant and scratch proof. Easily cleaned with warm soapy water.
- Quartz is heat resistant but it is recommended to minimize direct heat and not to place hot appliances directly on the surface.

Ceramic Characteristics

- Premium grade ceramic with a hi-quality glaze coating for added surface protection. Low maintenance and can be easily cleaned with warm soapy water.
- Ceramic is not heat proof, chemical proof, or fracture proof in any form. Sudden extreme changes in water temperature may cause cracking within the integral sink.

fdSTONE™ Characteristics

- fdSTONE™ solid surface is made up of an advanced composite of organic materials (aluminum-trihydrate), acrylic and color pigment. Containing methacrylic acid makes fdSTONE™ UV resistant. Constructed as a solid unit with no layers, voids or hollow areas; fdSTONE™ is entirely solid.
- Under normal applications: chemicals, sterilizers, cosmetics, food acids and alcohol would not penetrate into fdSTONE™. Any spills should be cleaned as soon as possible with warm soapy water. For stubborn stains a neutral non-abrasive cleaner may be used; as harsh chemical and abrasive cleaners could damage the surface.
- fdSTONE™ is heat resistant but it is recommended to minimize direct heat and not to place hot appliances directly on the surface.
- Each top has been REINFORCED in packaging and are packaged individually; a TEAM EFFORT should be used when installing.
- Unless specifically noted each stone and quartz top is pre-cut with an oval sink cut-out of 16½x13½" (this will accommodate an undermount lavatory basin measuring 17x14"). A rectangular sink cut-out of 17 7/8x11" (this will accommodate an undermount lavatory basin measuring 18x12").
- Back splashes are included with Stone and Quartz tops they are NOT available for Ceramic or fdSTONE™ Tops.
- Optional Quartz side splashes are available (SOLD SEPARATELY). Not available for Stone, Ceramic or fdSTONE™ Tops.

- Fairmont Designs reserves the right to change, replace or modify colors and/or finishes without prior notice.
- Note all stated sizes of stone, quartz, ceramic and fdSTONE™ products are nominal and are subject to variations of ± ½"; wood products are subject to variations of ± ¼". For this reason, any measurements that call for extremely close tolerances should be held until the final products are delivered.
