## Building a Foundation of Prayer by Kristine Noelle

God has the blueprints for successful financial stewardship in your life and the lives of those you coach. E.M. Bounds agreed when he wrote, "Prayer is the contact of a living soul with God. In prayer, God stoops to kiss man, to bless man, and to aid in everything that God can devise or man can need."

## Your Money Counts by Howard Dayton

There are more than 2,350 verses in scripture that address everything you need to know about handling money. And, in the process, you will grow ever closer to the Lord.
