

Gyanankur News: November 2018

Students drew chalk pictures (Rangoli) about awareness of issues such as Saving the earth and Valuing Girls.

Appreciating the Aunties.

One of our Core Values is Dignity. Every person is of equal value and Gyanankur recently had a special assembly to appreciate the support staff (called Aunties).

Welcome

to more new Australian sponsors. We also sponsor 47 students from 2 slums in Pune who go to our sister school there. We really appreciate the interest and support of every person receiving this newsletter. :-)

Thank you

We are thankful to a Pune Rotary club for building new toilet blocks and to a thoughtful resident from a local Housing Society (block of flats) who gave us their second-hand play equipment.
