

Smart, Fabulous & Single

Helping you to unlock your potential,
make faith-based choices & increase your impact!

Men are from Mars. Women are from another planet!

When we asked Christian women 20-40 years old, "Where do you see yourself in 3-5 years?" most said *"Married with kids!"*

However, christian men, had a fairly different perspective (no specific order):

- **Start a business**
- **Furthering my career**
- **School/Acquire a skill**
- **Settle down**
- **Buy a house**
- **Make money**
