## **Business Accelerator Program**

The B.W.O Business Accelerator Program is a 12-month intensive business training program that is sponsored and FREE for the people chosen. You will be able to learn, from five different millionaires, how to build, scale, market, brand, and operate a growing thriving business.

During the B.W.O. Accelerator Program you are able to EARN the opportunity to pitch to the B.W.O Founders on investing in your proven business, only for the businesses that have went through the entire B.W.O. Accelerator Program.

In February, the B.W.O. Accelerator Program qualifications will be released. You will also be made aware of how to apply.
